Gift bags

If a customer has placed a large order with you, pack it in a corporate gift package. Such attention will be pleasant to your client, and he will definitely come back to you for a purchase!

Corporate Materials

Corporate materials - product brochures, catalogues and price lists will help you navigate through the product range and tell your customers about it.

Product samples

An important sales tool is a product sample. They give client an opportunity to determine which product suits them more accurately, and thanks to it, you will look more professional and increase your sales. Please note that samples are not only for perfumes, but also for other products.

Tone Map

Ask customers that buy Silk Colouring, Botany or Maximum Colour hair dyes from you to refer to the tone map (art. 8249, 8769 or 18053). Having determined shade more accurately, customer will definitely return to you during the next promo!
