DOES YOUR SKIN NEED OXYGEN?

- Oxygen uptake by cells declines after the age of 25 years
- During stress, the skin assimilates even less oxygen
- A sedentary lifestyle also causes "oxygen deprivation"

pp. 28-31

How does urban environment affects skin?

CONTAINS MAXIMUM NOVAFTEM-O₂ OXYGEN COMPLEX®

NOVAFTEM-O₂® (Faberlic patent) delivers oxygen deep into your skin, increasing amount of oxygen in cells and enhances effectiveness of other cosmetic ingredients.

Tools OF YOUR SALES

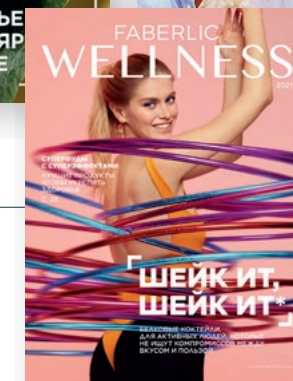

Gift bags

If a client has placed a large order with you, pack it in a corporate gift bag. Such attention will please your client, and he will certainly return

Corporate materials

Corporate materials - product brochures, catalogs and price lists to help you navigate in the product range and tell your customers important information about it.

Product samples

An important sales tool is product samples. They give client the opportunity to more accurately determine which product suits them, and you look more professional and increase your sales volume. Please note that samples are not only for perfumes, but also for other products.

Color charts

Offer customers that buy Silky Coloring or Color Maximum from you to refer to Color chart (art. 8249 or 18053). By more accurately determining shade of color, client will definitely return to you during the next promo!
