Catch your own ZEN!

Zen — a resource that can be used to increase sales. This social network is actively gaining momentum, the growth of new users is growing daily.

TO SEARCH AND ATTRACT NEW CUSTOMERS YOU CAN:

MAINTAIN YOUR OWN ACCOUNT

by gaining subscribers among clients, friends and acquaintances. And you don't even have to write your own articles to do this. You can simply add them by reposting them from our official account, just like the actual videos.

PROMOTE YOURSELF

by your own creativity (filming unboxings, writing posts, doing reviews, etc.).

MONETIZE

your account. When you gain enough subscribers, it will start working for your income on its own too.

HYALURONIC ACID

**MOISTURE SOURCE.
YOUTH SOURCE**

NOVAFTEM-O2* COMPLEX

increases amount of oxygen in skin and ensures delivery of moisturizing complex to deep layers.

VITAMIN K2

has a powerful antioxidant effect, supports protective skin barrier.

CALCIUM

promotes retention of hyaluronic acid in epidermis cells, helps to restore its barrier function.

HYALURONIC ACID

provides instant moisturizing to all layers of skin and prolonged effect.

Hyaluronca

INNOVATIVE MOISTURIZING FORMULA

With a lack of hyaluronic acid and calcium, skin becomes thinner. **It is important to make up for lack of these substances.** For them to be better absorbed, encapsulated **vitamin K2** is needed.

Having supplemented composition with **oxygen complex**, we got innovative products with an amazing effect!

0294
1000* **699***

STEP 1.
Apply moisturizing balm in a thick, even layer to dry, cleansed skin of your face, neck, decollete. Massage for 1-2 minutes. Do not rinse.

STEP 2.
Apply gel activator CO₂ strictly on area of application of moisturizing balm in a ratio of 1: 1. After 5-10 minutes, remove the excess with a tissue.

STEP 3.
For maximum results, use an oxygen mask (0295).

Gift Bags

If a client has placed a large order with you, pack it in a corporate gift bag. Such attention will please your client, and he will certainly return to you for another purchase!

Corporate materials

Corporate materials - product brochures, catalogs and price lists to help you navigate through product range and tell your customers important information about it.

Product Samples

An important sales tool is product samples. They give any client opportunity to more accurately determine which product suits them, and you look more professional and increase your sales volume. Please note that samples are not only for perfume, but for other products also.

Color charts

Offer customers that buy hair Silk coloring or Color maximum dyes to refer to color chart. (art. 8249 or 18053). By more accurately determining dye color, a client will definitely return to you during the next campaign!
