# HAMIGAKI

## BRUSHING TEETH AS AN ART

A series inspired by the Japanese Hamigaki dental care system, which allows you to maintain dental health. Products created based on ingredients familiar to Japan and proven by generations - extracts of sakura, ginseng, matcha and others.

- **Mukurossi extract** has a powerful antibacterial effect.
- **The enzyme complex** effectively eliminates plaque and prevents its formation.
- A balanced **abrasive system** thoroughly cleans the enamel.
- **Fine cream foam** with increased penetration.
