Having impact on these points within a night, these adhesive patches will give you a feeling of freshness and energy charge in AM.

**BEST**  
SELLER

## UNIQUE COMPOSITION

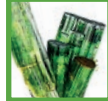

Natural extracts and precious mineral tourmaline promote excretion of harmful substances from your body through your feet.

**Bamboo vinegar** improves blood circulation, excretes toxins and possesses antibacterial effect.

**Woody vinegar** stimulates blood circulation, normalises pressure.

**Tourmaline** enforces local microcirculation of blood or lymph, opens up pores, improves metabolism.

## APPLICATION METHOD

1 Remove the protective layer along the incision line. Stick the powder packet in the center of the patch.

2 Place the patch on the foot and gently glue it on.

3 Go to bed. The patches should last at least 6-8 hours.

4 In the morning, remove the patches without touching the blackened part. Wash your feet thoroughly.

It's recommended to use before sleep, but if necessary use round-the-clock, changing patch every 12 hours.

# Tools for YOUR SALES

OFFERS  
for Representatives

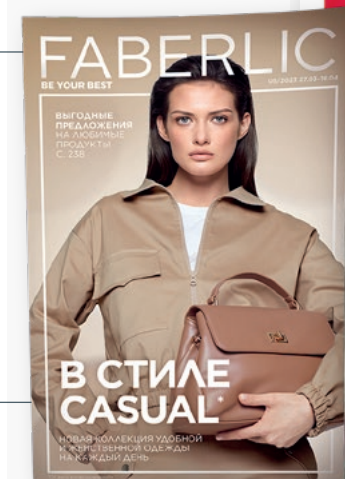

## Gift bags

If a customer has placed a large order with you, pack it into a gift bag. Such attention will be pleasant to your client, and he will certainly return to you to purchase something!

## Corporate materials

Corporate materials are product brochures, catalogues, and pricelists will help you navigate through product range, and tell important information about it to your customers.

## Product Samples

Product Samples are an important sales tool. Customers are suggested to understand which product suits them best, and you look more professional and boost your sales. Pay attention that there are samples not only for perfumes, but also for other products.

## Tone maps

Offer your customers that buy Silky Colouring or Colour Maximum dyes to refer to tone map. (art. 8249 or 18053). Having determined colour tint more precisely, the customer will definitely come back to you during the next promo!
