Tools OF YOUR SALES

OFFERS
for Consultants

Gift Bags

If a client has placed a large order with you, pack it in a corporate gift bag. Such attention will please your client, and they will certainly return to you for another purchase!

Corporate materials

Corporate materials - product brochures, catalogs and price lists to help you navigate in the product range and tell your customers important information about it.

Product Samples

An important sales tool is product samples. They give a client the opportunity to more accurately determine which product suits them, and you look more professional and increase your sales. Please note that samples are not only for perfumery, but also for another products.

Color Charts

Offer your customers that buy Silky Coloring or Color Maximum dyes from you to refer to Color Chart (art. 8249 or 18053). By more accurately determining dye shade, the client will definitely return to you during the next promo!
