LUXURIOUS LIKE A TREASURE HOUSE OF A SHEIKH

Hala - jewels sparkle in this name. Legends are made about the wealth of sheikhs, and this facet shines with the bright tints of jasmine and ylang-ylang. The treasury of the composition opens with a melody of pomegranate, blackberry, vanilla and rosewood. Musk, sandalwood and cedar demonstrate the luxury and flavor of the East.

DELICATE AS EASTERN BEAUTY

Safa is what they call purity in the East: thoughts, views, relationships. Safa opens with ringing notes of yuzu, which embraces a touching embrace of a chord of lemon and palm leaves. The softness of ambarella plum gives the composition tenderness, and the enveloping amber the train fills the heart with warmth, as if an immaculate beauty had looked into its very depths.

DECISIVE, LIKE LEADERS OF THE MODERN EAST

Samar is a name that embodies a clear view of the future and determination, with which sheikhs build technological cities. The charismatic combination of basil, violet leaf, lavender and sage paints the look of a confident man. Vetiver adds special status and strength to the composition, inherent in successful businessmen of the modern East.
