- Stimulates the process of skin cell renewal and synthesis of ceramide and collagen
- Makes skin smoother and more elastic, evens out its tone
- Gives your face rested look

Multifunctional BB

Face Cream 30 ml
3696

Gives your face an instant natural glow effect.

- Adapts to skin tone and evens it out
- Contains moisturizing and renewing components for additional skin care
- Silky texture spreads easily over skin and does not clog pores

FABERLIC

OXYGEN MOISTURIZING

FOR ALL SKIN TYPES

The line's products fill skin with moisture and prevent its loss, even out microrelief and refresh the complexion.

Complex of 17 amino acids triggers its own moisturizing mechanisms, increases skin's ability to absorb nutrients.

Betaine prevents moisture evaporation and skin dehydration, helps strengthen the lipid barrier, protects from external factors.

Hydroxyethylurea provides intense moisturizing, improves skin elasticity and smoothness.

OXYGEN MOISTURIZING 💧

FOR ALL SKIN TYPES

Day Face Cream Fluid 50 ml 3698

Cares for skin from AM to PM, moisturizes it for a long time and restores hydrobalance.

- Helps strengthen the skin barrier and protects against aggressive environmental influences
- Prevents moisture loss throughout the day, preventing overdrying
- Refreshes complexion, smoothes skin and gives it elasticity

Night Face Cream 50 ml 3699

Intensively cares for skin at night, stimulates regeneration processes and reduces effects of daytime stress.

- Provides skin with long-lasting hydration and prevents moisture loss
- Evens out the microrelief of skin, making it smoother, firmer and more elastic
- Strengthens protective barrier of your skin

Eye Cream Gel 15 ml 3717

Intensively cares for the delicate skin around eyes, restores moisture balance and prevents moisture loss.

- Smoothes skin, eliminating fine wrinkles and creases
- Quickly absorbed thanks to its light texture
- Protects skin from negative influences of external factors during the day

OXYGEN NOURISHMENT ●

FOR NORMAL AND DRY SKIN

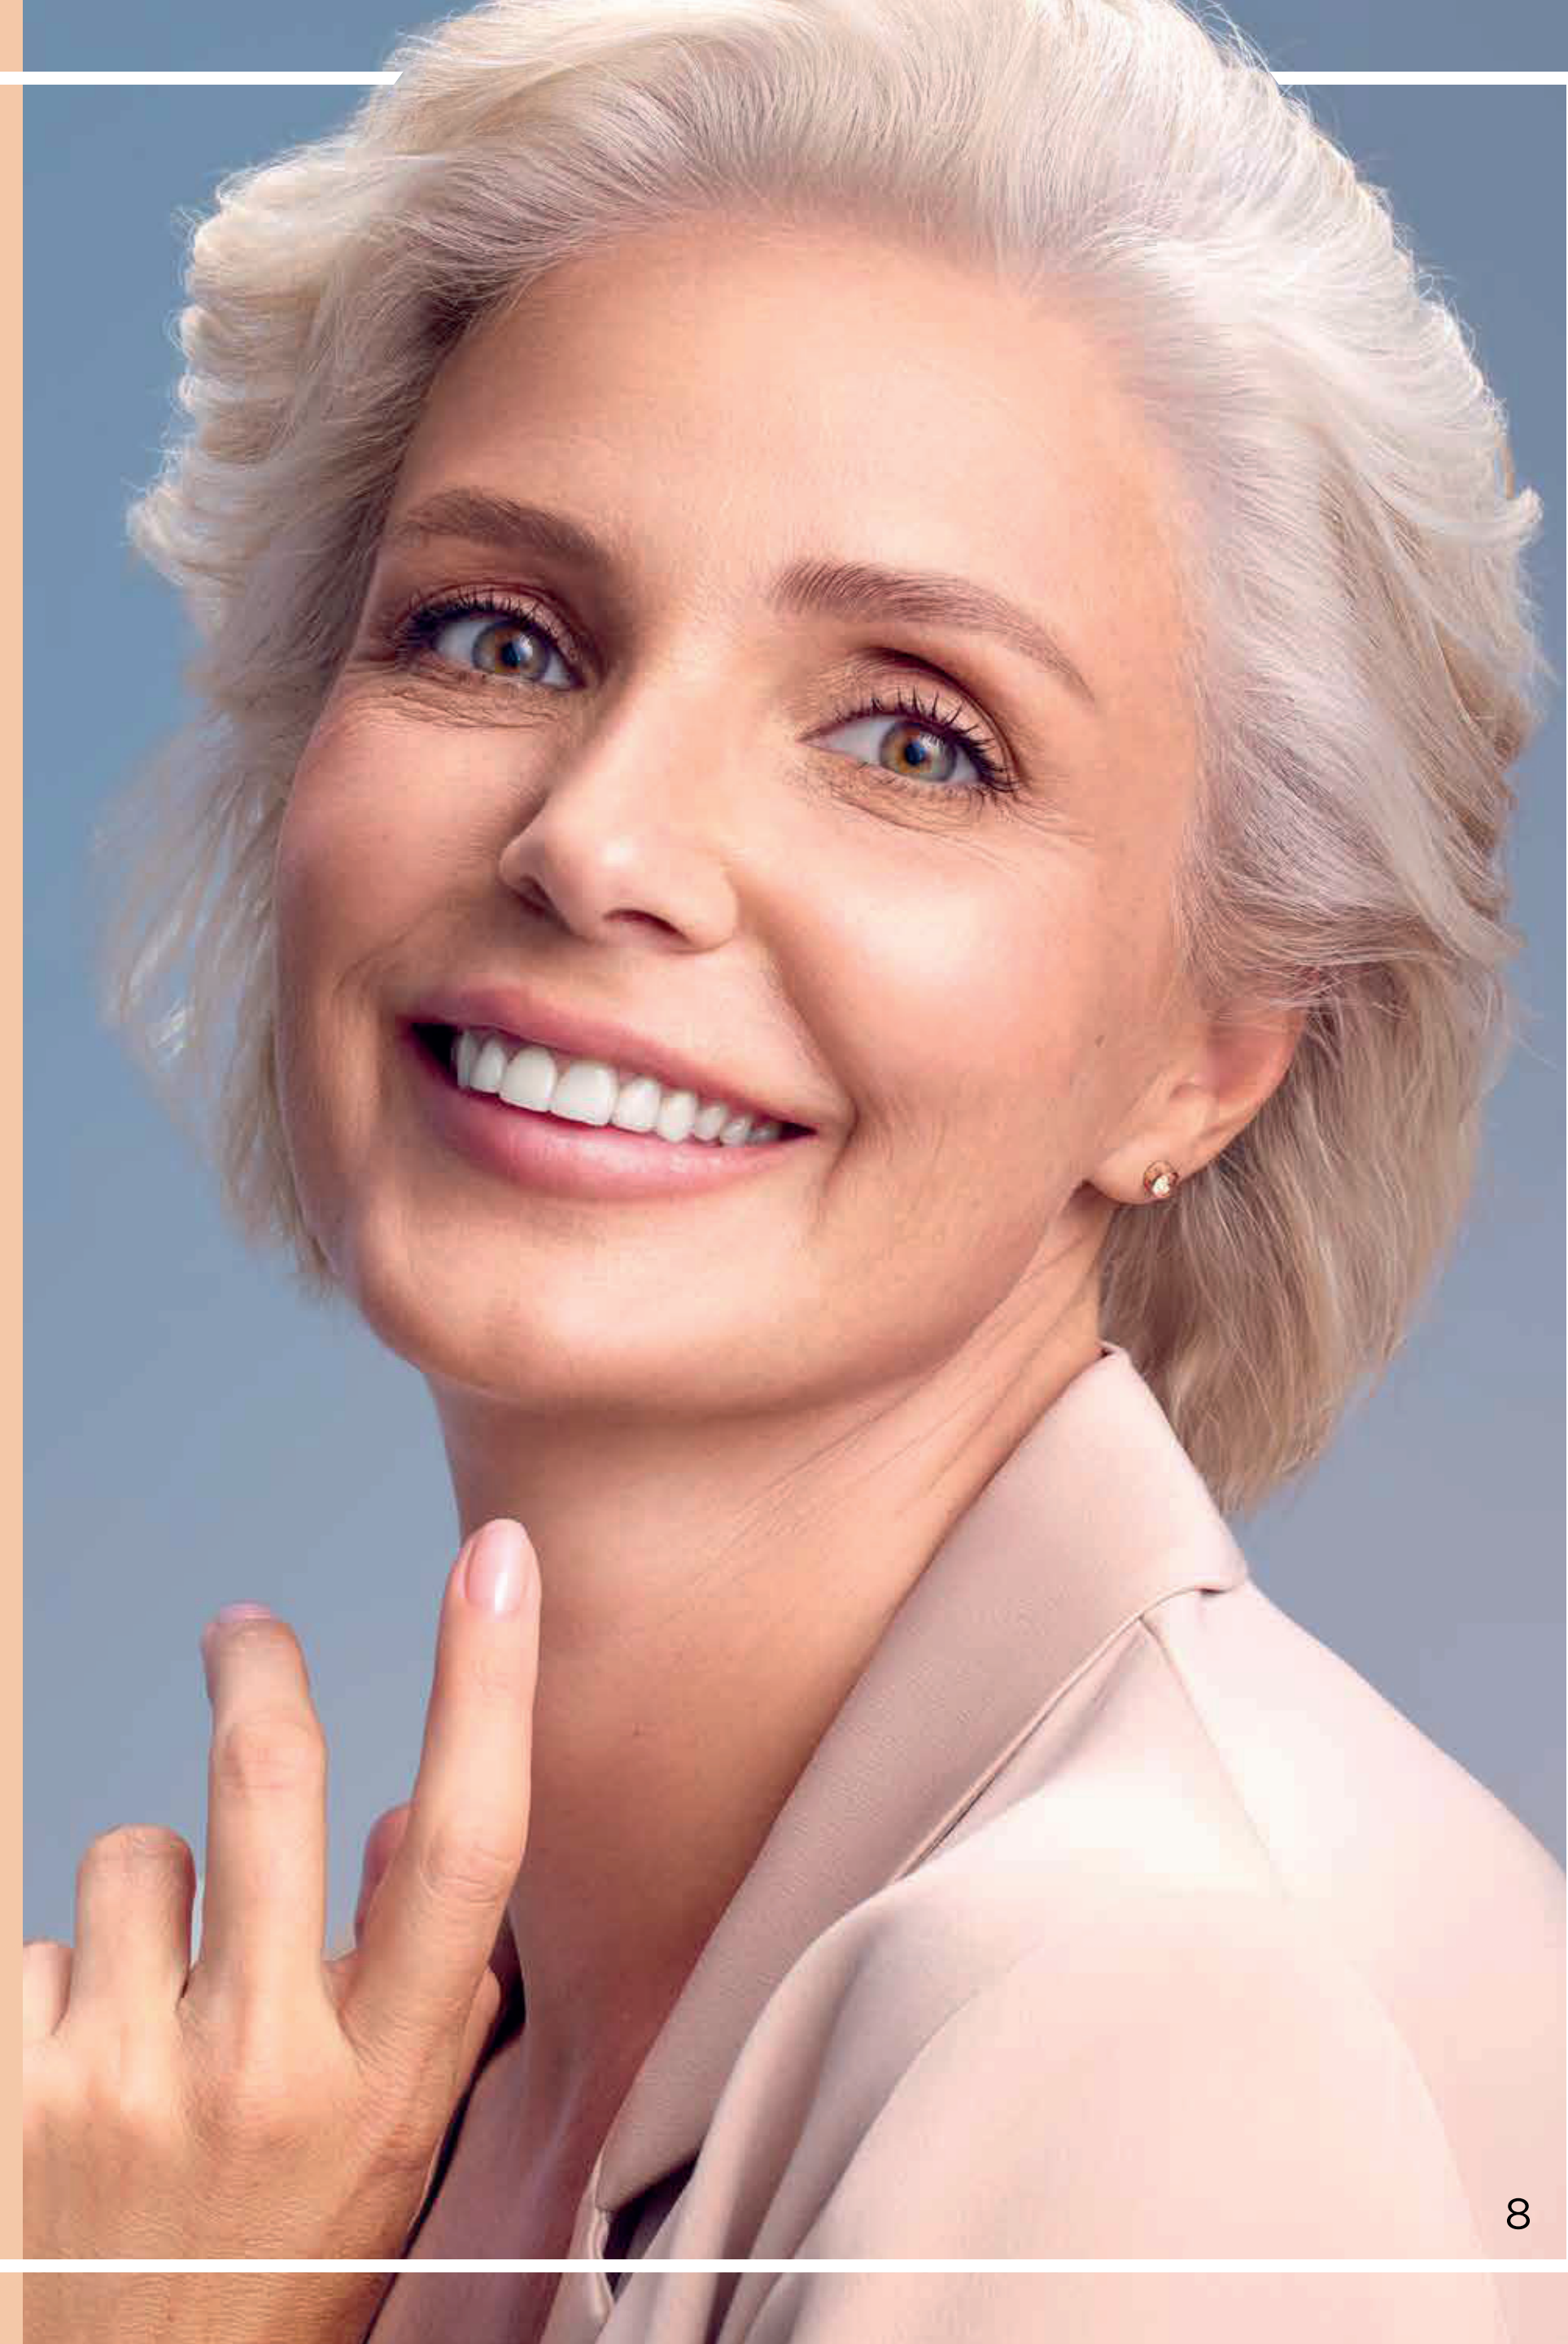

The products in the line soften skin, increase its elasticity, and eliminate the feeling of dryness and discomfort.

Squalane – component of the skin's natural protective layer. Perfectly retains moisture, does not clog pores, and neutralizes the aggressive effects of negative environmental factors.

Cholesterol maintains the integrity of the skin's lipid barrier.

Unsaturated fatty acids participate in the processes of skin's restoration.

Shea, sesame and sunflower butters saturate skin with vitamins and antioxidants.

OXYGEN NOURISHMENT ●

FOR NORMAL AND DRY SKIN

Day Face Cream 50 ml 3691

Strengthens the skin's lipid barrier and protects it during the day, gives the feeling of comfort.

- Maintains moisture balance, intensively nourishes and softens
- Instantly eliminates the feeling of dryness
- Evens out skin microrelief and increases its elasticity

- Makes skin softer and strengthens lipid barrier
- Retains moisture without drying out skin and restores its feeling of comfort
- The delicate texture is quickly absorbed without leaving any stickiness or grease

OXYGEN BALANCE ✦

FOR COMBINATION AND OILY SKIN

The products of the line mattify skin, regulate the activity of sebaceous glands, and restore the hydrolipid balance.

Niacinamide controls sebum production, reduces visibility of pores, evens out tone and improves local skin immunity. Triggers the synthesis of collagen and elastin, reduces redness and irritation of skin. It has a moisturizing, softening and calming effect, returning a feeling of comfort.

Zinc PCA regulates bacterial flora and sebum production, prevents inflammation, acne and comedones.

OXYGEN BALANCE ✦

FOR COMBINATION AND OILY SKIN

Day Face Cream 50 ml 3718

Cares for skin from AM to PM, keeping it smooth and matte.

- Reduces oiliness, mattifies, evens out skin tone
- Restores the hydrolipid balance of skin and maintains the natural pH level
- Can be used as a foundation

Night Face Cream 50 ml 3720

Restores skin at night, normalizes moisture balance, reducing the effects of daytime stress.

- Reduces skin oiliness
- Controls sebum regulation and eliminates microflora imbalance
- Moisturizes and calms down skin, returns the feeling of comfort to it

Mattifying Face BB Cream 50 ml 3719

Evens out skin tone and disguises visible imperfections.

- Reduces unwanted shine throughout the day and cares for skin
- The silky texture of cream ensures even coverage and does not clog pores
- Universal shade adapts to skin tone

OXYGEN BREATHING ♦

FOR ALL SKIN TYPES

The products provide gentle cleansing, improve the absorption of oxygen by skin, and prepare it for subsequent stages of care.

Bi-phase Eye Makeup Remover

150 ml
3684

Quickly and effectively removes everyday and long-lasting makeup without unnecessary friction. Carefully cleanses delicate skin, not irritating it. Provides a long-lasting feeling of cleanliness and freshness.
