# Your sales TOOLS

OFFERS  
for Independent  
Consultants

## Gift bags

If a client has placed a large order with you, pack it in a corporate gift bag. Such attention will be pleasant to your client, and he will certainly come back to you for a purchase!

## Corporate materials

Corporate materials - product brochures, catalogues and price lists to help you navigate through product range and tell your customers important information about it.

## Product samples

An important sales tool is a product sample. It gives customers opportunity to more accurately determine which product suits them, and you look more professional and increase your sales. Please note that samples are not only for perfumes, but also for other products.

## Tone Maps

Offer customers that buy Silk Coloring or Maximum color hair dye referring to the tone map (art. 8249 or 18053). By more accurately determining the shade, the client will definitely return to you during the next promo!
